

Instructions for Inventory-CLI:

1. At the beginning you need to pick a branch!
[[A branch from SuperLee branches]]
2. All the menus our cli contains:
 - Reports menu
 - Products menu
 - Discount menu
 - Categories menu
3. All menus' options have numbers, choose the number you want.
4. At any point, you will have an option to exit the program and back to the main menu.
5. After every scenario, you will get back to the main menu for beginning the process all over again.
6. For each value that you need to fillfield, you will have the type of value on its side.

Example:

```
Please select an option:
1. Add product's discount
2. Add category's discount
3. Back to main manu
4. Exit
1
product catalog number:(number)
23
discount:(number)
4
start date:("2016-03-04 11:30" - example)
2016-03-04 11:30
end date:("2016-03-04 11:30" - example)
2016-03-04 11:30
discount added successfully
